Scott's Decorating Centre is celebrating 70 years!

This year marks an incredible milestone for a true Lindsay staple Scott's Decorating Centre is celebrating 70 amazing years in business!

It all began in 1955 at 3 Kent Street, where Scott's Decorating Centre first opened its doors. From over 2,500 wallpaper patterns in their early years to 800 in stock today, Scott's holds the title for the largest wallpaper selection in Ontario! As a proud Benjamin Moore retailer, they've been bringing colour to the community for decades. The business moved to 79 Kent Street, and a young Martin Scott, just six years old, had the very important job of shoveling slush from the inside the store back outside.

They found their longtime home at 88 Kent Street West, where they've proudly served the community for many years. After working as a group merchandiser for Zellers, Martin returned home at 25 and, in 1986, officially took over the store, partnering with his sister Devon, who has since retired.

Today, Scott's Decorating Centre is more than just a paint store — they offer custom paint matching, tinting interior stains, and even matching caulking to your exact colour. They can even turn wall paint into spray cans for those tricky touch-ups! With a wide selection of paint, wallpaper, and interior/exterior stains, Scott's Decorating Centre remains the top choice for DIYers, contractors, and designers alike.

Over the years, all of the Scott siblings have contributed to the business. A generational store where they now serve the children and grandchildren of the customers that Don Scott (The Founder) used to serve. A true family operation built on passion, trust, and a commitment to excellence. Here's to many more years of colour, creativity, and community at Scott's Decorating Centre!

We Won!

We're so excited to share that Lindsay Downtown BIA won the Marketing Excellence Award at the 2025 Lindsay & District Chamber of Commerce Awards of Excellence!

We had an amazing night and are so proud to be recognized for the work we do to support and promote our incredible downtown community. Thank you to the Chamber and to everyone who cheers us on!
