PAINT ME A POEM

February 4 – March 1, 2025

“Painting is poetry that is seen rather than felt, and poetry is painting that is felt rather than seen.”

— Leonardo da Vinci

Inspired by the connection between art and the written word, this exhibit explores their equal capacities to express what is deeply felt. We invite you to explore what is illuminated though bringing poem and painting together in conversation. Works are part of the Kawartha Art Gallery's permanent collection.
